Hi Brook -

Thanks for meeting with us on Friday. I wanted to start working on the list of follow-up items from our meeting. From my notes:

- 1.) work on water study numbers, using your data and ours, for PR plan
- 2.) send you construction cross section of wall
- 3.) CL to work on revenue model for a public access lagoon for your site
- 4.) send you invite to our technical tour event May 8th
- 5.) Rework the terms on the first lagoon proposal to use requested royalty structure

Let me know if I am forgetting anything. Send me your water study numbers so I can get started on that item with our R&D team. thanks!
